Swimming Data:

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensure that pupils can perform self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study.

Question	Stats	Further Context
What percentage of your current year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	56% 42/76	
What percentage of your current year 6 cohort can use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?	70% 53/76	
What percentage of your current year 6 cohort are able to perform self-rescue in different water-based situations?	100%	Each Year 6 groups had a water safety week specifically focusing on self-rescue in various water based situations.
If your schools swimming data is below national expectation, you can choose to use the primary PE and sports premium to provide additional top-up sessions for those pupils that did not meet the National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	Additional sessions for non-swimmers and after-school club places were offered to encourage year 6 non-swimmers to attend.
