

Thursday 16th April 2026

Dear Parents and Carers,

As you are aware SAT's week will run from **Monday 11th May 2026 to Thursday 14th May 2026.**

During SAT week we will be opening the doors at **8.00am** for all the **Year 6** children so that they have the opportunity to settle into the school day and to give them time to ask questions and talk with their teachers and peers before the assessments begin each day. This will help all of the children to relax and feel ready to complete the tests each day. We want to make sure that children are ready and in the best position to try their best in each test. We would also like to offer the Year 6 children breakfast during this time, we will offer a range of cereals and toast that the children have requested, should they wish to have some.

We are requesting that all children are in school for 8:30am at the latest, if they do not wish to attend for breakfast, so all of the children have time to settle and we can then make a prompt start to the assessments. **Any children who are not at school for 8:30am, families will receive a phone call to ensure that you are on your way so no child is worried about being late.** This is added stress that we would love to avoid.

To celebrate the hard work of the children during the tests a hot breakfast of bacon, sausage or vegetarian sausage cob will be provided for all children on Friday 15th May 2026. Children should arrive at normal school time on Friday 15th May and they will start their morning with their breakfast treat. You will receive a link by text message to state your child's breakfast preference. Please complete by Friday 1st May 2026. We will not be charging for the breakfasts during this week as we aim to support the children to showcase how amazing they are during their SAT tests.

If you have any questions, please contact your child's class teacher. Thank you for your continued support.

Kind regards

Miss Jodie Milson
Head of school
