

Tuesday 14th April 2026

Dear Parents and Carers,

I am delighted to let you know that we are in the process of finalising our amazing treat week for the Year 6 children for the end of the academic year. This is a celebration and is in recognition of all their hard work whilst being at Cloudside.

I have spoken to the Year 6 children and explained that the countdown for treat week will begin today. Although this is a celebration and recognition of hard work, it must be earned by the children. As of Tuesday 14th April, each day the children will earn a sticker for continuing to display the Cloudside and LEAD values. Each child needs to collect 50 Stickers out of a possible 55 to earn the whole week of rewards. The week will be very full and is a great opportunity for the children to make special memories of their time together.

The week will consist of both in school and out of school activities. We aim to take the children on two off site visits and then the other three days will be full with sport, art, challenges and making food. Until all activities have been finalised, I am unable to provide you with a cost of the treat week. I aim to get this to you as soon as possible. At the end of the academic year, we will offer you the option of returning your blazer and if it is at a standard to be resold second hand to other families in school, we will refund £10 of your treat week money.

We can't wait for the children to engage in the very special week that Mrs Shooter, Mrs Cohen and Mrs Wood have planned. Further information about each of the activities and cost will be provided soon. If you have any questions, please speak to your child's class teacher.

Kind regards

Miss Jodie Milson
Head of School
