

Thursday 23rd April 2026

Dear Parent/ Carer

To build upon Year 4 learning about learning about sustainability and understanding how different materials can be recycled responsibly. This term, we are excited to announce a school trip on **Tuesday 9th June 2026** to Conkers. They will take part in a range of exciting activities linked to sustainability and recycling.

The children will need to come to school for the normal start of the day and we will return to school by the close of the school day. We will message if there are any delays due to traffic.

We are pleased to be able to subsidise the cost of the visit in our efforts to provide curriculum enrichment opportunities for every child in school, as a result the cost of this visit will be **£22.50** per child. There is a further subsidy for those children in receipt of Pupil Premium funding. Please make payment and give consent for your child to attend on the **School Gateway App** by Friday 5th June 2026.

On the day of the visit children will need to wear school uniform, have a coat, suitable footwear and a packed lunch in a small bag which is easily carried. A packed lunch can be provided by the school kitchen should you wish to order one for the cost of £3.25 (or free school meals apply). Please advise the office if you would like to order a school packed lunch for your child.

We are also looking for some parent helpers to join us on this visit, so if you are willing, please let us know.

Yours sincerely

Mr Beardsmore, Miss Welgemoed and Miss Rawson
Year 4 Class Teachers
