

Monday 22<sup>nd</sup> June 2026

Dear Parents and Carers,

With the heat wave weather warning this week, we are advising that some adjustments are made to the uniform. We are not expecting any Year 5 and 6 children to wear their tie or blazer this week. We encourage children to wear shorts, skirt or summer dresses this week. As many families may not have official school shorts, we are saying that children can wear shorts, but they must be black or grey. This can be black shorts with a sports logo.

For footwear, we request that children continue to wear something that is appropriate. Crocs and sliders/ flip flops are not permitted due to health and safety.

We advise that all children come to school wearing sunscreen lotion, which they can apply themselves during the school day as needed. We also advise that all children bring a water bottle into school, which they can refill at any time during the day. Children will have access to their water bottle throughout the day, and we will be providing juice at break and lunchtime to support with keeping cool and hydrated.

We have also attached some guidance from ASCH health protection.

Thank you for your continued support.

Kind regards,

**Miss Jodie Milson**  
Head of School
