

Friday 3<sup>rd</sup> July 2026

Dear Parents and Carers,

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on 16 July 2026.

The delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes. This will also not impact your child's transition to secondary school and no action is required from parents or pupils. We will share results with you as quickly as possible after we receive them on 16<sup>th</sup> July.

Thank you for your patience and understanding with this matter – we appreciate this may be frustrating for the children.

If you have any questions, please contact the school office.

Kind regards,

**Miss Jodie Milson**  
**Head of School**
