YEAR 3 PARENTAL ENGAGEMENT DAY

Dear Parent/Carer

We were overwhelmed with the great turn out and support from parents and carers last time we held a Parental Engagement Day and are excited to invite you to our next event.

Y3 Parental Engagement Day is planned for **Wednesday 4th December 2019**. Once again we will be looking to invite you in to observe and take part in learning at Cloudside this time with a 'Design Technology' focus. We are excited to show the developments in our curriculum showcasing our new exciting topics and developing the progression of skills across the year groups in our wider curriculum subjects.

You are invited to report to the school office at 1.45pm. Refreshments will be available in the school hall from 1.45pm with an introduction on Curriculum from the Curriculum Lead. After refreshments you will be taken to your child's classroom to take part in an interactive Design Technology lesson between 2.00 – 2.45pm.

Please can you sign the reply slip below and return to school by Wednesday 27th November if you wish to attend. We will try to accommodate as many of you as possible in the classroom, however, there is obviously limited space so if we get an overwhelming positive response we may need to ask you to attend at a later date. If this is the case, you will be informed of this by letter.

Yours sincerely

Melindar Kaur
