Dear Parents / Carers

We have arranged an exciting trip for Year 5 to go to **Belgrave Rooms** in Nottingham which is part of the Nottingham Trent University. This is an opportunity for the children to collaborate with other L.E.A.D Academy Trust schools and take part in an exciting STEM Event. The children will take part in some exciting science investigations throughout the day.

The trip will take place on **Thursday 30th January 2020**. The children will need to come to school for the normal start of the day and we will aim to return to school by the close of the school day, depending on traffic.

The children will need to wear school uniform, have a waterproof coat, suitable footwear and bring a packed lunch. If you would like the kitchen to provide your child with a packed lunch please indicate on the slip below. They will not need any spending money for this trip. If any parents or carers would like to help on the trip their support would be greatly appreciated. Please indicate if you are willing to help on the slip below.

This is a fantastic opportunity for the children, it will support their learning and we hope that as many children as possible can attend.

Yours sincerely
