Accelerated Reader Rewards

Dear Parents and Carers,

Since the launch of Accelerated Reader and MyOn at Cloudside Academy we have seen great progress and results with not only the increase in the amount our children are reading but also with the improvement of their comprehension skills.

Your child can access a range of online books via the MyOn website <https://www.myon.co.uk/> or can read a school book, book from home or the library. Once your child has read their book they will log into Accelerated Reader at school and complete an online quiz. The results from this quiz show how much your child has understood the text.

When your child has scored 100% on their quiz they will receive a reading token. The children will collect these tokens and can trade them in for book prizes. The book prizes and token value are displayed around school so the children can see what they would like to purchase.

If your child reads 1 million or more words they will be rewarded by a trip to Waterstones for the opportunity to browse and choose a book of their choice and enjoy together with a Costa. Once your child has read 1 million words you will receive a parental response letter with more information and asking for your consent.

You can support your child by listening to them read for 10 minutes every day and sign their Home Reading Record. If your child reads 4 times a week they will also receive a Superstar award. The amount your child reads is tracked each week in class as feeds into the reading assessment for your child and it is therefore very important for your child to manage in partnership with yourself and the school.

We hope you will support this initiative with us and together we look forward to celebrating the reading success of our children.

Yours sincerely

Mrs N McIntyre
Executive Headteacher

Cloudside Academy is an academy within the L.E.A.D. Academy Trust. Registered office: 5a The Ropewalk, Nottingham, NG1 5DU. L.E.A.D. Academy Trust is an exempt charity. Company registration number: 08296921.
