Headteacher: Mrs Melindar Kaur

7th February 2020

Dear Parents / Carers

I would like to take this opportunity to thank you for making me feel welcome at your lovely school! The parents I have met so far have been very positive and welcoming and have made me feel at home already. As you are aware Mrs Kaur is absent from school at the moment, I will regularly update you on this matter. In the meantime, I am here to drive the school forward.

Since my arrival I have made it my number one priority to tackle instances of poor behaviour around school. The school already has a much calmer feel to it and we have happier children! I am in the process of putting plans in place to rapidly move the school forwards and this will be shared with you in due course. Our Behaviour Policy is also being reviewed by the staff and once complete, I will look forward to sharing this with you.

I have been very busy in the past week meeting with lots of people involved with the school. I normally like to get out on the yard in the mornings at least twice a week. From Tuesday next week I will be outside in the mornings so please come and say hello.

I am pleased to let you know there have been some fantastic positives already, school is settled and calm and learning is taking place across school. Once behaviours have become embedded the next phase is to look at the quality of teaching and learning across the school to ensure your child receives the very best education.

This school is a little gem and your children are a delight! They are a credit to you all.

I look forward to working with you on our journey to becoming a good school.

Yours sincerely

**Mrs N McIntyre
