Dear Parents Carers

What a busy and exciting half term this has been. The children have had lots of exciting trips and visitors into school, sharing what they know and learning new skills, which has inspired further work being completing at home. This is great to see!

Remember that over the holidays the children can continue to use Myon to read some great books and TTRockstars, where challenges have been set- which class will be the best?

Next half term will bring lots of new enjoyable experiences. I look forward to seeing you all after the break. I hope that you all have a wonderful half term.

## Attendance Figures

---

Winning tutor group for each year for this week:

Year 3 – Paris (98.8%)

Year 4 – Rome (89.2%)

Year 5 – Copenhagen (97.7%)

Year 6 – Stockholm (99.3%)

This week's attendance was 94.6% which is well below our target of 96.5%. Your child's attendance has a huge effect on their learning and missing just a few days can have a negative impact on their achievement, so many thanks for your continued support. This week's class attendance was won by Stockholm with 99.3% and the most punctual classes were Paris and Rio. Well done!

**Did you know that being late by 15 minutes a day is the same as being absent for 2 weeks a year?**
