Year 3 Parent Reader Volunteers

Dear parents and carers,

At Cloudside Academy we are passionate about reading and we are making it our mission to instil the love of reading with all of our pupils. In order to foster childrens' passion for reading we start by surrounding them with books, reading books aloud and modelling your own love of reading. That is where you come in!

We are looking for parents to come into school from 8.30am – 8.50am to read and listen to some of our children read. We hope this will not only ignite their passion for reading but also help improve their fluency skills. If you would like to help please complete the slip below indicating day/days you are able to help. We will then make contact with you to confirm.

Thank you for your continued support.

Yours sincerely

Nicola McIntyre
EXECUTIVE HEADTEACHER

To Cloudside Academy

I _____ parent / carer of _____ class _____ am able to help listen to children read on the following days:

Monday

Tuesday

Wednesday

Thursday

Friday
