Morrisons Foundation – Covid 19 Homeless Support Fund. The Morrisons Foundation has announced a Homeless Support Fund aiming to fund charities caring for the homeless during the Covid 19 outbreak and ensure help gets to those who need it.

The Foundation recognises that homeless people are particularly vulnerable to Covid 19 because of underlying health conditions and are less able to access basic sanitation.

There is a total of £500,000 for this fund and awards of up to **£10,000** are available. Smaller requests will allow more charities to be supported from the fund.

Registered charities that care for the homeless can apply to cover the broad areas:

- Outreach and support to rough sleepers
- Delivery of services in hostels and shelters
- Information and advice

Applications can be made at anytime. www.morrisonsfoundation.com/latest-news/covid-19/

Mental Health/Emotional wellbeing/ Staying active

The coronavirus (COVID19) outbreak is going to have an impact on everyone's daily lives, as the government and the NHS take necessary steps to manage the outbreak, reduce transmission and treat those who need medical attention.

It may be difficult, but by following guidance on social distancing, or staying at home, you are helping to protect yourself, your family, the NHS and your community.

During this time, you may be bored, frustrated or lonely. You may also feel low, worried, anxious, or be concerned about your health or that of those close to you. Everyone reacts differently to events and changes in the way that we think, feel and behave vary between different people and over time. It's important that you take care of your mind as well as your body and to get further support if you need it.

Home Start - Erewash

What support do they offer? Home-Start works with families in communities, starting in the home our approach is as individual as the people we're helping. No judgement, it is just compassionate, confidential help and expert support. Families struggling with post-natal depression, isolation, physical health problems,

bereavement and many other issues receive the support of a volunteer who will spend around two hours a week in a family's home supporting them in the ways they need.

Due to the current Covid-19 situation there will be changes to the way HomeStart offer their service.

Derbyshire Carers Telephone Befriending

Telephone Befriending at Derbyshire Carers Association (DCA) is a regular friendly call from a fully trained volunteer to help alleviate isolation and provide some company and light conversation to adult Carers (over 18) within Derbyshire (not Derby City). DCA phone volunteers give support, reassurance, a listening ear.

The DCA Telephone Befriending service is continuing to run in the usual manner throughout the COVID-19 period. DCA established Volunteer callers are continuing to make their calls from

home, as usual, to Carers they have previously been matched with, as well as any new Carers needing a chat. DCA Peer Support staff are also helping to provide befriending calls to isolated Carers during this time of increased need.

During the COVID19 period DCA are able to continue to offer support from their Telephone Befriending service to those Carers who are, or have become, more isolated or who are extremely vulnerable. Support and signposting can also be provided during the calls, where the Carer is in need of other information and local support.

If you feel you as a Carer would benefit from telephone support, or wish to discuss the Telephone Befriending, please contact DCA on: 01773 833833.
