Dear Parent/Carer

We use Weduc as effective way to keep you informed of your child's learning journey at Cloudside.

Weduc is a digital communication and engagement tool designed specifically to improve the way we communicate with you in the form of an app. It is important for you to download the app by September 2020 to ensure you receive valuable communication from school.

In order to benefit from this this tool you please follow the steps below:-

- Step 1: Download the Weduc app onto your phone/tablet via your relevant App Store.
- Step 2: Once downloaded, open the app and click the enrol link at the bottom of the log in screen.
- Step 3: Enter you unique enrolment code listed below and follow the in-app, step by step instructions to complete your registration.

Note: Be sure to check your spam folder for your confirmation email when prompted.

If you require any help or further information please contact the school office.

As always we appreciate and thank you for your continued support.

Yours sincerely

**Mrs Susan Wass**
