Dear Parents/Carers,

It is with deep regret that I have to write this letter to you today, however as a school we **CANNOT** and **WILL NOT** tolerate poor, aggressive or confrontational behaviour from parents at the school gate, on school site or on social media.

I expect the very highest standards of behaviour from our pupils in and around school and, as their parents, the same expectations are extended to and held of you.

I know that I am speaking to the vast majority of our school community who share these high expectations and who are equally troubled by recent incidents at the school gate and on social media, where sadly, these expectations have **NOT** been met.

As a school we have a duty of care to all our community members; part of our procedures and policies allow us, in relevant cases, to ban parents from school site. This is not an action we take lightly, but **will** if necessary to maintain a safe, happy and cohesive community. Full details of the policy can be found on the school website.

If you have concerns about relationships between your child and others in the school, it is your duty to speak to their class teacher and **NOT** approach other parents or even worse, the child themselves.

I trust this has made the school's position clear to you all, and I look forward to a safe and happy school for all our pupils with your support and co-operation.

Kind regards

Mrs S Wass
Head of School
