Executive Headteacher Nicola McIntyre

Head of School Susan Wass

Deputy Headteacher Jodie Milson

Friday 4 September 2020

Dear Parents / Carers, Children, Staff, Governors and Friends of Cloudside,

Welcome back!

I have the absolute pleasure of finally being in school with the fabulous Cloudside family.

I know that for many including myself and staff today has been eagerly awaited. Although we are back, we do still have to be mindful that the virus has not yet gone away. Thank you for following our guidelines on the opening times, the children have all come in with massive smiles on their faces. As I have visited every class, they have all been excited to learn and have shown really positive attitudes. We know that staggered start and end times may cause some lateral thinking on your part, but we must maintain our “bubbles” of lower and upper key stage groups. I have spoken to Ladycross and we have both agreed to be “flexible” at the end of the day, but we **MUST** know what your arrangements are. As they may have changed since last term, please complete the attached form and return it on Monday to the children’s class teacher.

The most recent evidence is suggesting that the vulnerable point for our school community is the school gate at the start and end of the day. Please ensure you maintain social distancing and follow our one way system around the building and exiting the premises. If you have an extenuating reason why you are unable to follow this, please let a member of staff who is on duty, know and we will accommodate you as best we can.

I know that it is a different type of schooling to that which the children and staff have been used to, but we are trying to maintain a sense of normality and focus on learning.

I want to thank you all for trusting us with your beautiful children, and I look forward to working with the whole Cloudside family.

Best wishes

Susan Wass
