Monday, 02 November 2020

Dear Parent/Carer,

As the government have now moved to a National Lockdown from Thursday 5th November we have taken the decision that from Tuesday 3rd November, we will be asking all adults to wear a face covering when dropping off and collecting their children. This will also include staff members on the playground and waiting at the school doors. We know that there are already parents/carers who wear a mask to come onto school site and they are an increasingly common sight as we all work together to keep ourselves safe.

We appreciate that for medical reasons there may be some adults who cannot wear a mask. Please inform us if this is the case. Children aged 11 and under do not need to wear masks but can do if they wish.

We are also asking that only one parent/carer should be on school site during drop-off and collection times. This is to reduce traffic on site and allow for social distancing. It is now more important than ever, that anyone who enters school site observes strict social distancing of 2 metres where possible and that you follow the one way system in operation.

We know that there have been some initial teething problems with the new SchoolComms system, these are beyond our control, but we are informed that they should be resolved by Wednesday at the latest.

Finally, as the virus is spreading at an increased rate we are looking closely at the systems in place for remote learning. Miss Milson will be sending out detailed instructions later this week; please look out for them. We hope not to have to use them excessively, but we need to be prepared!

Thank you for your continued support in this matter.

Yours sincerely,

Mrs S Wass
(Head of School)
