Cloudside Academy Agreement

For pupils at Cloudside Academy to achieve success it is important that parents / carers, pupils and the staff are all able to work together with each party having equally important roles and responsibilities in the partnership.

Why do we need a Home School Agreement?

- *Children achieve more when schools and parents/carers work together.*
- *Home-school agreements will help parents/carers to work with their child's school.*
- *Parents / carers support and encouragement are very important if the child is to make the most of school.*

Family Agreement

We will value our child's education in supporting Cloudside Academy by:-

- Ensuring my child comes to school regularly on time and with all the equipment they need and appropriately dresses according to school policy and be ready to benefit from the school day.
- Informing the school of any issues which may affect their work or behaviour.
- Supporting them with reading and other home learning activities following guidance offered by the school.
- Attending parents' evenings and other discussions about their progress.
- Supporting the school rules and policies.
- Acknowledging and treating the teacher as a professional.
- Encouraging my child to become independent and look after their own things and property.
- Ensuring that any absences are notified to school promptly
- Demonstrating courtesy and respect for others in the school community.
- Avoid term time absence as this seriously affects the progress of your child.

Pupil Agreement

I will try my best to:-

- Bring the things I need every day and look after them properly.
- Work hard, listen and follow instructions and complete all work as best I can.
- Behave well and follow the school rules.
- Help look after the school and everyone in it.
- Treat and care for pupils and adults with respect.
- Tell a grown up if I am upset or unhappy.
- Live the school values.
- Take responsibility of own learning as independent learners.

School Agreement

We will provide for your child by:-

- Valuing each child as an individual.
- Providing a safe, caring and well ordered environment.
- Encouraging pupils to work to the best of their ability.
- Developing children's independence by giving your child increasing responsibility for their own learning, behaviour and belongings.
- Making your child's education meaningful and enjoyable.
- Promoting kindness, courtesy and good manners.
- Recognising and rewarding success and achievement.
- Providing current information about your child's education and school activities.
- Meeting with you at mutually convenient times to discuss progress, success and concerns.
