

# COVID 19 – Addendum to Safeguarding Policy

## Version 4 - January 2021

### Our vision

In these very difficult and unprecedented times, safeguarding is still at the heart of our policy and practice at Cloudside Academy. Cloudside Academy fully recognises the contribution it can make to protect children and support all pupils amid the Coronavirus pandemic. The aim of this addendum to our Safeguarding Policy is to safeguard and promote our pupils' welfare, safety, and health whether they are learning in school as part of the vulnerable / critical worker pupils or they are not in school but learning remotely. The pupils' welfare is of paramount importance, particularly as academies within the Trust navigate the challenges of remote learning combined with the safeguarding of all pupils.

At Cloudside 8Academy, despite the current challenges we face, it is still our policy to listen to our pupils, take our pupils' health and welfare seriously, and to act with urgency to prevent harm and to keep them safe. Our processes for contacting pupils are outlined in Appendix 5 below.

### Safeguarding at Cloudside Academy

*'Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centered. **This means that they should consider at all times, what is in the best interests of the child.**'* KCSIE 2020

Keeping Children Safe in Education still forms the basis for our Safeguarding Addendum. The statutory guidance still applies even though the vast majority of our pupils are not in the academy full time.

### Key Persons Responsible for Safeguarding at CLOUDSIDE Academy

#### Safeguarding Team / DSLs –

Sue Wass	Head of School / DSL	<a href="mailto:info@cloudsideacademy.co.uk">info@cloudsideacademy.co.uk</a> 0115 9392263
Jodie Milson	Deputy Head/DSL	<a href="mailto:info@cloudsideacademy.co.uk">info@cloudsideacademy.co.uk</a> 0115 9392263
Kerry Wheatley	DDSL	<a href="mailto:info@cloudsideacademy.co.uk">info@cloudsideacademy.co.uk</a> 0115 9392263

<b>Amy Knight</b>	<b>DDSL</b>	<a href="mailto:info@cloudsideacademy.co.uk">info@cloudsideacademy.co.uk</a> 0115 9392263
<b>Sam Grogan</b>	<b>DDSL</b>	<a href="mailto:info@cloudsideacademy.co.uk">info@cloudsideacademy.co.uk</a> 0115 9392263

**Both Miss Milson and Mrs. Knight are contactable everyday via the school office and will take the lead on Safeguarding during the lockdown. All other DSLs are available in support throughout the day via the school office.**

It is important that all staff and volunteers (should they be needed), have access to a trained DSL or deputy and know on any given day who that person is and how to contact them. Best practice is to have a DSL on site at all times. If this is not possible and in line with Government guidance, a DSL must always be contactable during the school day for either face-to-face discussions or a telephone call. In this current climate, the Government has relaxed the requirement for DSLs to have an up-to-date training certificate. However, if training and support is needed, it will be accessed through the L.E.A.D. Academy Trust safeguarding team.

**LEAD Academy Trust DSL – Jan Connor (07808528131)**

**LEAD Academy Trust Safeguarding Compliance officer and DSL – Becky Hyder (07935219250)**

### The Legal Framework

Academies within L.E.A.D. Academy Trust work within their relevant local authorities. Local Authorities have an overarching statutory responsibility for safeguarding and promoting the welfare of all children and young people in their area. At Cloudside Academy, our local authority is Derbyshire. The local safeguarding partnership, known as Derbyshire Safeguarding children partnership, is working with our academy to support us to safeguard our pupils during the pandemic. Their revised guidance can be found in Appendix 1 of this addendum.

In September 2020, the Department for Education published the latest 'Keeping Children Safe in Education' (KCSIE) – statutory guidance for schools and colleges. This guidance contains information on what schools, including academies, should do and sets out the legal duties which they must comply with. **During the current situation this remains the main statutory guidance for all in the academy community to have due regard to.**

## Our Commitment During COVID 19

Cloudside Academy and L.E.A.D. Academy Trust's commitment to safeguarding includes:

- ensuring all staff, visitors and volunteers in our academy understand their responsibility to safeguard pupils, particularly in this crisis where revised procedures may be in operation;
- having in place relevant safeguarding arrangements which are designed to take account of all possible safeguarding issues and any unusual or unforeseen concerns which could be raised during the COVID 19 situation;
- ensuring all safeguarding concerns are investigated and acted upon, and an immediate risk assessment is undertaken to keep pupils safe;
- continuing to adhere to safe recruitment practices;
- having appropriate arrangements in place to ensure we continue to work closely with other agencies and share information with other professionals in line with statutory requirements, whilst adhering to government guidance on social distancing and safe working;
- taking account of any revised Derbyshire LA procedures and practices established by the Safeguarding Partnership, complying with any requests from that body in a timely manner;
- having a culture in our academy of listening to children and taking account of their wishes and feelings by keeping regular, appropriate contact with pupils through our systems of communication;
- providing appropriate support for staff;
- maintaining clear policies for dealing with allegations against people who work with children;
- maintaining clear whistleblowing procedures;
- having a designated teacher to support children who are looked after, those who are post care and pupils who are adopted to ensure we to keep these pupils safe, liaising with the virtual school Headteacher as necessary;
- having in place appropriate safeguarding responses to children who fail to attend when expected, and those who go missing from education;
- fulfilling all statutory responsibilities in respect of safeguarding and promoting the welfare of children.

### COVID 19 Specific Safeguarding Roles and Responsibilities of Staff

*(please note that this guidance is to be viewed alongside the Academy Safeguarding Policy and procedures and will be reviewed on a regular basis for further updates and changes)*

<b>Role</b>	<b>Responsibility</b>
Local Authority	<ul style="list-style-type: none"><li>• Ensure children of critical workers and vulnerable children can, where required, attend our academy.</li><li>• Maintain effective safeguarding and child protection services in this challenging time to ensure schools and colleges can access the support they need.</li></ul>

Lead Academy Trust DSL and Safeguarding Compliance Lead	<ul style="list-style-type: none"> <li>• Act as a point of contact for all academies within the Trust for any safeguarding related issues, circumstances or concerns.</li> <li>• Make sure that all academies are up to date with the latest guidance from the DfE / Government.</li> </ul>
Safeguarding Governor	<ul style="list-style-type: none"> <li>• Has an overview of the revised addendum and procedures.</li> </ul>
Headteacher	<ul style="list-style-type: none"> <li>• Has overall responsibility for all pupils on roll at the school, ensuring that all staff are aware of their responsibilities.</li> <li>• Make sure that all staff and the safeguarding governor are aware of, have seen and understood the revised addendum.</li> <li>• Has made sure that all staff are aware of the revised arrangements.</li> <li>• Ensuring that all emergency contact numbers and details are kept up to date.</li> <li>• Ensuring safeguarding induction procedures are still in place for any new member of staff or staff relocating to the academy during this time.</li> <li>• Ensuring that the senior leadership team has a plan for how bereavements may be handled, including obtaining any support services (see charity websites, for example, Winston's Wish, Grief Encounter, Childhood Bereavement Network or Hope Encounter).</li> <li>• Being mindful of peer on peer abuse. Given the very different circumstances, a revised process will need to be in place for supporting pupils to report peer on peer abuse. Headteachers will need to ensure they manage any report of such abuse and supporting victims (see Appendix 5).</li> <li>• Ensure that welfare calls and checks are conducted as per Trust guidance (Appendix 2).</li> <li>• Mental health – ensure that staff are aware of the EAP (Education Assistance Programme) which continues to offer support for all staff.</li> <li>• Ensures the appropriate use of electronic equipment for remote learning in line with the academy's remote learning policy.</li> <li>• Regularly keeps a record of pupils' compliance with remote learning expectations in line with the academy's attendance addendum.</li> </ul>
DSL / DDSLs / Safeguarding team	<ul style="list-style-type: none"> <li>• Fulfil their role as per their DSL job description.</li> <li>• Maintain up to date lists of vulnerable pupils.</li> <li>• Is on site or available by phone or via video link during school hours.</li> <li>• Knows how to contact 'front door' / social care services.</li> <li>• Knows how to contact individual social workers.</li> </ul>

	<ul style="list-style-type: none"> <li>• Knows who the LA Virtual School Headteacher is and how to contact them.</li> <li>• Maintains safeguarding induction procedures so that any new member of staff or staff relocating to the academy during this time are up to date with the school’s safeguarding procedures and practice.</li> <li>• Ensures each vulnerable pupil has an easily transferable record of why they are vulnerable, a copy of the EHCP and/or CIN or CP Plan, the name of their social worker and contact details. For Looked After Children, the name of the relevant Virtual School Head. <b>Kept in a folder and locked away in a secure place.</b></li> <li>• Knows how to raise any safeguarding issues that may arise during any online learning (Contact headteacher and L.E.A.D. IT).</li> <li>• Ensures that SLT has a plan for how to manage bereavements and how they may be handled, including obtaining any support services (see charity websites, for example, Winston's Wish, Grief Encounter, Childhood Bereavement Network or Hope Encounter).</li> <li>• Ensures peer on peer abuse is considered as a priority - given the very different circumstances, a revised process will need to be required for managing any report of such abuse and supporting victims. (See Appendix 5)</li> <li>• Ensure that links to mental health services for pupils are on the school website</li> <li>• Ensure that families asking for help are given advice on appropriate agencies.</li> <li>• Ensure all relevant risk assessments are in place for all non-attending vulnerable pupils and that these are reviewed each week.</li> <li>• Ensures the appropriate use of electronic equipment for remote learning in line with the academy’s remote learning policy.</li> <li>• Regularly keeps a record of pupils’ compliance with remote learning expectations in line with the academy’s attendance addendum.</li> </ul>
All other teaching staff	<ul style="list-style-type: none"> <li>• Have read and understood the updated addendum to the Safeguarding Policy.</li> <li>• Are aware that there may be an impact of the mental health of pupils, parents and staff or volunteers, and know what support may be available.</li> <li>• Know how to raise any safeguarding issues that may arise during any online learning (Contact DSL and / or LEAD IT).</li> </ul>

	<ul style="list-style-type: none"> <li>• Be vigilant to signs of peer-on-peer abuse and how it may manifest given the current circumstances and know how to report any concerns.</li> <li>• Know how to report any concerns regarding the use of electronic equipment for remote learners.</li> </ul>
All other non - teaching staff	<ul style="list-style-type: none"> <li>• Have read and understood the updated addendum.</li> <li>• Are aware that there may be an impact of the mental health of pupils, parents and staff or volunteers; and what support may be available.</li> <li>• Know how to raise any safeguarding issues that may arise during any online learning (Contact DSL and/ or LEAD IT).</li> <li>• Be vigilant to signs of peer on peer abuse and how it may manifest given the current circumstances and know how to report any concerns.</li> </ul>

### **Designated Safeguarding Lead (DSL)**

The first option in Cloudside Academy is always to have a trained DSL or deputy available on site. However, we acknowledge that this may not be possible. Where this is not possible, a DSL will be available and on duty for face to face or telephone discussions. If both those options are unavailable, we will contact Jan Connor or Becky Hyder from Lead Academy Trust for initial advice.

Where a trained DSL or deputy is not on site, a senior leader on site will take responsibility for coordinating safeguarding. This might include updating and managing access to child protection files, liaising with the offsite DSL (or deputy) and as required, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments.

It is acknowledged that local authority DSL training may not take place during this current lockdown. However, training could take place during this period using the Trust's Safeguarding Officer. This would need to be agreed with Becky Hyder (Trust DSL) who could provide interim training until specific local authority training can be sought. For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

### **Vulnerable Pupils**

The definition of vulnerable pupils as defined by Government guidance are: 'Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with Education, Health and Care (EHC) plans. Those who have a social worker include children who have a child protection plan and those who are looked after by the local authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989'

Protecting vulnerable pupils and those with an EHCP is a priority.

Please see '[guidance on vulnerable children and young people](#)' for further information.

Local authorities have the key day-to-day responsibility for delivery of children's social care. Social workers and Virtual School Headteacher (VSHs) will continue to work with their vulnerable children in this difficult period and should support these children to work with the academy to access our academy if possible. There is an expectation that children with a social worker will attend provision, unless in consultation with the child's social worker and family, it is agreed this is not in the best interests of the child. This will be evidenced in a risk assessment completed for all vulnerable pupils and children with EHCPs (a copy to be held in the academy and one with the relevant agency i.e social care or SEND department.) **See Appendix 3 and 4**

Senior leaders, especially DSLs (and deputies) know who their most vulnerable children are and have the flexibility to offer a place to those on the edges of receiving children's social care support.

School staff should continue to work with, and support, children's social workers to help protect vulnerable children. This will be especially important during the COVID-19 period.

### **Attendance**

At Cloudside Academy we will work with all our vulnerable families to agree whether their child(ren) should be accessing on site education during this period of school closure. We will follow up on any child that is considered vulnerable if they do not attend during this time. We will also follow up with any parent or carer who has arranged for their children to be educated on site and who subsequently do not attend.

We will also take the opportunity when we communicate with parents and carers to confirm that the emergency contact numbers we hold are correct, and will ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not attend, or discontinues attending, we will notify their social worker.

During this January 2021 school closure, all pupils are expected to access education whether they are on site within the vulnerable or critical worker groups or learning remotely at home. Cloudside Academy will keep a record of our pupils' engagement in learning to demonstrate their 'attendance' whether in school or at home. (See Attendance Addendum Policy)

### **Safe and Well stages:**

1. Monitor attendance through normal attendance procedures
2. Phone calls to check children are safe and well at the already agreed time schedules for your school (use school phone). As a minimum:
  - contact CP families every 3 days;
  - contact CIN and vulnerable families once per week.

**3. Home visits (These should only be for CP/CIN and vulnerable children and any children where all other avenues of contact have been unsuccessful, including social care and where there is a real worry about the safety of a child or family)**

- They should only be conducted with two members of school staff and to a home where it is deemed safe to do so.
- Staff should travel separately (ensure that car insurance covers business use, with at least one charged school mobile phone, and personal items should be kept to a minimum)
- Direct contact with parents/carers should be avoided
- Contact should only be at least two metres distance or view through windows and staff should be wearing protective face coverings as a matter of course
- Only members of staff who are willing to go should conduct home visits. No member of staff should be made to go.

If school is delivering lunches and the pupils are seen this can be considered a 'safe and well' check as well.

**If it is felt that there is an immediate danger to a child, then the police should be called using 999**

The Department for Education has introduced a [daily online attendance form](#) to keep a record of children of critical workers and vulnerable children who are attending school. This allows for a record of attendance for safeguarding purposes and allows schools to provide accurate, up-to-date data to the Department on the number of children taking up places. Out academy will also provide attendance information to the Local Authority and to the Trust.

**Children Moving Schools**

If a pupil moves school during this time, it is important that the academy provides the receiving school with any relevant welfare and child protection information. This is especially important where children are vulnerable. For looked-after children, any change in school will be led and managed by the VSH with responsibility for the child. The receiving school should be aware of the reason the child is vulnerable and any arrangements in place to support them. This advice may change as the DfE and local authorities clarify the position on this.

As a minimum and as relevant to the child, we will ensure that the new school will have access to a vulnerable child's EHC plan, child in need plan, child protection plan or, for looked-after children, their personal education plan and know who the child's social worker (and, for looked-after children, who the responsible VSH ) is.

This will ideally happen before the child arrives and, where that is not possible, as soon as reasonably practicable. Any exchanges of information will be organised and co-ordinated by

a DSL (or deputy), and will also include our special educational needs co-ordinator (SENCO) (Mrs Susan Wass) for children with EHC plans. However, it is acknowledged this may not always be possible. Where this is the case, the headteacher or the most senior member of staff will take responsibility.

If a child is admitted to our academy, we will ensure we ask for the same information as above from the previous school.

### **Safer Recruitment / Training and Induction**

At Cloudside Academy, all staff will already have had safeguarding training and have read Part 1 of KCSIE 2020. We will make sure that all staff are aware of any new local arrangements so they know what to do if they are worried about a child. This is being addressed in this addendum.

Where we recruit new staff, or new volunteers in this COVID 19 period, the DSL will continue to provide a safeguarding induction. An up to date safeguarding policy will support this process as will Part 1 of KCSIE 2020.

At CloudsideAcademy, we understand that it is essential that people who are unsuitable are not allowed to work with children or gain access to them. Where we recruit new staff, we will continue to follow the relevant safer recruitment processes, including, as appropriate, relevant sections in Part 3 of KCSIE. In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its [guidance on standard and enhanced DBS ID checking](#) to minimise the need for face-to-face contact.

Volunteer adults will not be used in our Academy at this time. However, should a time arise where we are being supported in the Academy by volunteers as a last resort, we will continue to follow the checking and risk assessment process as set out in our main Safeguarding Policy. Under no circumstances will we allow a volunteer who has not been checked to be left unsupervised or to work in regulated activity.

We will continue to follow our legal duty to refer to the DBS anyone who has harmed, or poses a risk of harm to, a child or vulnerable adult and will consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's '[Teacher misconduct advice for making a referral](#)'. During the COVID-19 period all referrals will be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk).

Whilst acknowledging the challenge of the current environment we will continue to keep our single central record (SCR) up to date.

## **Online Safety**

There is a high priority placed on this aspect while the vast majority of our pupils are at home. Some pupils will more than likely be accessing increased 'screen time'. At Cloudside Academy we will ensure appropriate filters and monitoring systems are in place to protect pupils when they are online on the Academy's IT systems, or on recommended resources. Cloudside Academy will work closely with LEAD IT to maintain safe IT arrangements. We will ensure that all online and remote learning tools are GDPR and statutorily compliant.

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any concerns will be dealt with as in the Safeguarding policy and, where appropriate, referrals will continue to be made to social care and as required the police.

We always consider the safety of the children when they are asked to work online. The starting point for online teaching follows the same principles as set out in our Online Safety policy and Remote Learning Addendum. These policies include acceptable use of technologies, staff pupil/student relationships, and communication, including the use of social media. These policies apply equally to any existing or new online and distance learning arrangements which we are introducing.

An essential part of the online process we will be ensure children who are being asked to work online have very clear reporting routes in place so they can raise any concerns whilst online.

We will ensure that pupils, parents and staff have access to support and advice in making sure that online and remote learning is done in a safe way which minimize the risks to all.

As we are in regular contact via SchoolComms and Seesaw with parents and carers, we will use those communications to reinforce the importance of children being safe online. It is especially important for parents and carers to be aware of what their children are being asked to do online, including the sites they will be asked to access, and be clear who from the school (if anyone) their child is going to be interacting with online.

At Cloudside Academy we realise that some parents may choose to supplement our online offer with support from online companies and, in some cases, individual tutors. In our communications with parents and carers we will emphasise the importance of securing online support from a reputable organisation/individual who can provide evidence that they are safe and can be trusted to have access to children.

Cloudside Academy will ensure it tracks our pupils' engagement with remote learning and will take steps to ensure pupils comply with expectations regularly. (See Remote Learning Addendum).

This Policy should be read alongside the main Safeguarding policy and in conjunction with other relate policies listed in the main policy.

Date of issue: January 2021

## **Appendix 1 – Local Authority Safeguarding arrangements during COVID 19**

Reporting arrangements remain unchanged for the Local Authority during COVID 19.

Safeguarding arrangements have adapted to limit face to face contact. All meetings, safe and well checks and conferences are held via phone or skype.

In the light of the rapid developments associated with the management of the viral pandemic, the following arrangements were put in place from Wednesday 18 March 2020 and remain as current practice.

Child Protection Conferences will not take place in the usual format until further notice. However, all partner agencies will continue to have a critical role in ensuring that children continue to have appropriate risk management plans in place by continuing, where possible, to contribute to the information and planning around risks to any child deemed to be suffering from or likely to suffer from significant harm.

Partners are being advised that they will be invited to Initial Child Protection Conferences in the usual way and that there will continue to be an expectation that they contribute by submitting reports in the usual manner. The invitation to an initial conference will provide agencies with the date, time and identifying details of the children and families and indication of concerns in the usual manner.

The meetings will be 'virtual' rather than 'face to face' and there will continue to be an expectation that agencies send in a report a minimum of two days ahead and make themselves available in the timeframe stated and in the case of Reviews previously diarised so that the Conference Chair can call them to discuss the children and issues of risk, enabling partners to contribute to the review of the issues and therefore help the Chair formulate a plan based on the information shared by all parties. If for any reason there would be difficulty in meeting these expectations the Conference Service should be alerted via email: [CS.CPCONF@derbyshire.gov.uk](mailto:CS.CPCONF@derbyshire.gov.uk) or on 01629 531926.

Please ensure that a phone number is provided for the Chair to make contact with you. Send an email to [CS.CPCONF@derbyshire.gov.uk](mailto:CS.CPCONF@derbyshire.gov.uk) or on 01629 531926.

Following the process the Chair will create a Summary, Outcome and Outline Plan based on professional contributions which will be sent to participants with the plan being provided to parents or carers by the social worker.

Should there be a need to amend these arrangements you will be informed.

## Appendix 2 – Safe and Well Protocols

### Welfare calling and checks on vulnerable pupils during school closure.

#### The Academy will:

- Notify all social workers of the parents/carers decision whether to send their child into school (ideally via email or letter) and write to all parents concerned stating the academy is happy to support their child and that their initial decision does not have to be final. The academy may change its approach as time goes on if there are warning flags from contacts that suggest any pupils are in difficulties and at risk. Keep pupil's social workers informed with the academy's views after contact with the pupil.
- Complete a risk assessment and send a copy to the relevant worker, family and keep a copy on MyConcern for academy records.
- Set up a running record of concern on MyConcern for your CP and vulnerable pupils so a record of contact with families and relevant agencies can be kept. Upload any risk assessments completed for these pupils. (see attached risk assessment form)
- Contact **CP families every 3 days and CIN families once per week to check on welfare**. Any student who you think should be in but doesn't turn up should be contacted daily as per normal attendance procedures.
- Home Visits for CP and the most vulnerable – consider 2 members of staff, travel separately, avoid contact, view through windows.
- Those vulnerable students who do not 'meet' the published criteria of having a social worker, can be invited to attend school at the discretion of the safeguarding team. If it is felt that any of these pupils raises concerns further support of a school pace will be made.
- A list of vulnerable students will be made whom will be contacted on at least a two weekly basis.
- There is no need to call CIN/CP students daily when parents have said they won't be sending them in. Of course if there is need to ring it would be sensible to reinforce that provision is available in school for their child.

## Appendix 3 – Vulnerable / CP / CIN pupil risk assessment form

Sample risk assessment: Vulnerable / EHCP Pupils – School or home
<ul style="list-style-type: none"><li>• This to be completed by the school to document the reasoning why the child is in school or at home and any risks associated with this.</li><li>• The completed risk assessments should remain on site.</li><li>• Reviews should be undertaken on a regular basis and if any circumstances change. The frequency of the review will depend on the remaining risks but could be weekly, fortnightly or monthly.</li></ul>
<p><b>Safe and Well checks:</b></p> <p>Identify the level of support or safe and well checks required based upon your risk assessment of students.</p> <p>Record all contact on CPOMS/MyConcern/other safeguarding records.</p> <p>Possible Safe and Well stages:</p> <ol style="list-style-type: none"><li>4. Monitor attendance through online learning platform</li><li>5. Phone calls to check children are safe and well – use of school phones</li><li>6. Home Visits for most vulnerable – consider 2 members of staff, travel separately, avoid contact, view through windows</li></ol>
<p><b>Background:</b></p> <p><b>13. Do vulnerable children have to continue to go to school?</b></p> <p>There is an expectation that vulnerable children who have a social worker will attend school, as long as it is safe for them to do so. In circumstances where a parent does not want to bring their child to school, and their child is considered vulnerable, the social worker and school should explore the reasons for this, directly with the parent, and help to resolve any concerns or difficulties wherever possible.</p> <p>Where parents are concerned about the risk of the child contracting the virus, the school or social worker should talk through these anxieties with the parent following the advice set out by Public Health England.</p> <p>Providers may also want to consider how to encourage children and young people to attend provision. Social workers will remain in contact with vulnerable children and families, including remotely if needed.</p>
<p><b>20. Do all children and young people with an EHC plan need to continue at school?</b></p> <p>Schools, colleges, other training providers and local authorities will need to consider the needs of all children and young people with an EHC plan, alongside the views of their parents, and make a <b>risk assessment for each child or young person</b>. They will need to consider a number of different risks to each individual, including:</p> <ul style="list-style-type: none"><li>• the potential health risks to the individual from COVID-19, bearing in mind any underlying health conditions. This must be on an individual basis with advice from an appropriate health professional where required</li><li>• the risk to the individual if some or all elements of their EHC plan cannot be delivered at all, and the risk if they cannot be delivered in the normal manner or in the usual setting</li><li>• the ability of the individual’s parents or home to ensure their health and care needs can be met safely</li></ul>

- the potential impact to the individual's wellbeing of changes to routine or the way in which provision is delivered

## Appendix 4 – EHCP/SEND pupil risk assessment form

Those with an EHC plan should be **risk-assessed by their school or college** in consultation with the local authority (LA) and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carer’s therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home’.

Fundamentally, schools, settings and parents must first consider: Does the child have one parent who isn’t a key worker and who can safely meet the child’s needs at home? These children should remain at home.

If considering sending the child to school, school staff should consider with the child’s parents about the following risks across home and school contexts:

- Risks to the child or young person (CYP), including their physical health and emotional wellbeing.
- Risks to the family, including their physical health and emotional wellbeing.
- Risks to the setting, including the safety of other CYP and adults.

Things to consider:

<p><b>Benefits of staying at home</b></p> <p>Minimizes risk to the CYP’s health, especially for those with underlying health conditions.</p> <p>CYP is with familiar people at an unsettling time.</p> <p>School staff and other health and care professionals involved with child will be able to provide support including resources and safe and well checks</p>	<p><b>Potential risks of staying at home</b></p> <p>Will the CYP’s care needs be met? What needs to change so that they can be?</p> <p>Strain to family of having to care for child around the clock.</p> <p>Potential risk to siblings and parents, if CYP has behaviours of concern.</p>
<p><b>Potential risks of being at school</b></p> <p>Risk of catching virus, given proximity to larger group of adults and other CYP, many of whom are children of frontline key workers.</p> <p>Staffing capacity may mean the setting cannot safely meet CYP’s needs.</p> <p>School routine is significantly different, which is likely to cause confusion/distress for CYP with SEND.</p> <p>Absence of adults who have a relationship with the CYP, potentially increasing distress and reducing effectiveness of care.</p> <p>Setting may have reduced capacity and/or knowledge to positively manage complex SEND</p>	<p><b>Potential benefits of being at school</b></p> <p>Continued routine may reduce confusion and distress to child.</p> <p>Staff have training on approaches and strategies that support emotional regulation.</p> <p>Protective for families at risk of family breakdown.</p> <p>Protects child, siblings or other family members from risk involved in staying at home.</p> <p>Social contact- though this may not be with familiar peers or adults, and could pose significant physical health risks.</p>

including behaviours of concern putting other CYP and adults at risk.

## **Appendix 5 – Interim Procedures for Pupils and Parents/Carers to Contact the Academy and Report Peer-on-Peer or Other Forms of Abuse**

- The Report A Concern button on the academy's website.
- Cloudside L.E.A.D. Academy recognises that during the closure and phased reopening a revised process may be required for managing any report of such abuse and supporting victims. Where we receive a report of peer on peer abuse, either by email/phone or the report a concern button on the school website, we will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Academy's safeguarding policy. At Cloudside L.E.A.D. Academy we will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person. Concerns and actions will be recorded on MyConcern and appropriate referrals will be made.
- Parents and carers can share their concerns regarding the welfare of any pupil including peer on peer abuse to: Amy Knight [info@cloudsideacademy.co.uk](mailto:info@cloudsideacademy.co.uk) or 0115 9392263
- During the period of school closure and phased reopening, we are in regular contact with all families through our SchoolComms communication system. Parents can respond to messages that are sent via this mode of communication, via the school email ([Info@cloudsideacademy.co.uk](mailto:Info@cloudsideacademy.co.uk)) or the regular school phone number, which will be answered either by someone on site or a member of the office team off site.
- Children who are identified as being vulnerable are either on the school premises or they are being contacted by the school's safeguarding team. The number of calls made are determined by the needs of the family or the level of social care involvement.
- Children who are currently on an ECHP are on the school premises for the whole of the school week. The families of children on an ECHP are regularly communicated with at the start and end of each day that their child is on site.
- Any concerns that are raised whether by families or social care are logged in accordance with normal school policy (MyConcern). Cloudside are following regular procedures for making referrals to social care and monitoring the current status of concerns through regular communication. The safeguarding team are continuing to have their weekly meetings to discuss ongoing concerns and vulnerable children. The safeguarding team are also in regular contact with regards to any new concerns that arise.
- The following websites and agencies may be able to offer support to young people who are experiencing peer on peer abuse if they feel they are unable to contact the above named person:
