

Dear parent/carer

I hope you all had a wonderful summer break and that your child has settled back into school well this September. The next few weeks are an important time as you and your child make the decision on which secondary school you would like to attend from September 2022.

To help you make that decision I would like to invite you to Friesland School's open evening on **Thursday 23rd September from 6:00pm until 7:30pm.**

Our event this year, I am delighted to say, will return to a 'live event' where you will get the opportunity to tour the school, have an experience of what a Friesland lesson is like and meet both our staff and our students.

Due to the size of our school hall, and how popular our open evening is, I do not intend to run a presentation or series of presentations on the evening. Whilst restrictions have eased, I do not feel that asking hundreds of adults and children to squeeze into our hall is a prudent plan. Instead we will offer the following:

- My presentation all about Friesland School will be available on our website www.friesland.ttct.co.uk from Monday 20th September
- Also on our website we will have a filmed fashion show, an aerial tour of the school site and a video of some Y7 students from this year talking about their first few weeks at Friesland School
- During the evening myself and my senior team will then be available to take any questions that may have arisen from the information on our website

There is no need to book a timeslot or let us know you will be attending, you are welcome to visit for the full time or can drop in whenever works best for you and your family.

After the event there will be the opportunity to experience Friesland during a normal school day, with tours available from Monday 27th September to Friday 22nd October. These can be booked by e-mailing Hayley.york@friesland.ttct.co.uk

I look forward to meeting you and showing off everything that our wonderful school has to offer.

Yours sincerely

Craig Patterson
