Dear Parents / Carers

In response to the increased risk due to the new variant of COVID, we have taken the decision not to showcase our Christmas Performance live to parents this year. We will instead record the performance and make this available for you to view on the academy website.

In addition to our usual permissions, we would kindly ask you to acknowledge and consent for your child to be included in this recording and for your child's participation to be included on the website. This can be done on the School Gateway App, please complete by Friday 10th December 2021.

We fully appreciate this isn't how you would prefer to enjoy the performance, however by taking this decision we hope to be able to contribute to keeping our school community safe for the festive period.

Thank you for your understanding, if you would like to discuss this any further please do not hesitate to contact the school office.

Kind regards

Mrs Wass
Head of School
