

Monday 13th December 2021

Dear Parents and Carers,

It is almost the end of term and we are enjoying the Christmas cheer. We have our Christmas dinner and Jumper day on Wednesday, which is always enjoyed by all. The Christmas production practice is underway and it is looking fantastic, we cannot wait to share this with you all. The Year 3 children are working incredibly hard, the singing is sounding beautiful and the narrators have been learning their lines. We know that you will be proud of them all.

Thank you to all those families who have been in contact about permission for your child to be on the video of the Christmas performance. The office team are contacting any families who are yet to do this. Our IT team will be working hard to get the filming prepared and shared with you all next week. We will send a text out to let you know how you can access the link.

To add additional Christmas cheer, we would like the children to wear Christmas items such as hats, tinsel or festive headbands for the performance. We will be doing a full rehearsal on Wednesday in preparation for our filming on Friday. If your child has any items that they wish to wear they can bring them into school and keep them in their locker in preparation.

A parent proposed organising a collection for Christmas jumpers so that families can donate any that are now too small or where you have a draw full and would like to cut down. With Christmas fast approaching, we would be unable to organise that for this year. However, we would love to facilitate this for next year. If you do have any Christmas jumpers that do not fit any more or ones that you would like to donate we will start a collection now and the parent forum will organise a Christmas jumper stall next year.

Over our final two days (Monday 20th and Tuesday 21st) will be drawing the raffle ticket winner for the Autumn term and enjoying our Class behaviour reward in the form of class Christmas parties.

We would love to thank you all for your continued support over this last half term. With COVID numbers increasing and restrictions being implemented by the Government, it is an uncertain time. We appreciate that watching the production via a recording rather than in person is not what we all hoped for, but we know that you will all enjoy watching it with your children and family at home.

We wish you all a wonderful Christmas break with all the family. We look forward to seeing everyone back in school, refreshed and ready for the Spring term on Thursday 6th January 2022.

Take care

Miss Jodie Milson
Deputy Headteacher
