# Cloudside Academy Agreement

*For pupils at Cloudside Academy to achieve success it is important that parents / carers, pupils and the staff are all able to work together with each party having equally important roles and responsibilities in the partnership.*

## Why do we need a Home School Agreement?

- *Children achieve more when schools and parents/carers work together.*
- *Home-school agreements will help parents/carers to work with their child's school.*
- *Parents / carers support and encouragement are very important if the child is to make the most of school.*
