Thursday 17<sup>th</sup> February 2022

Dear Parents and Carers

We have a professional photographer from Engaging Education, who are the Trust's media team, coming into Cloudside on Friday 18<sup>th</sup> February to update our school photographs for the website and our new school prospectus. We will be taking photographs of the children engaged in their lessons, enjoying their lunchtime and during Shine.

If you have not given permission for your child to be in the media, on the school website or our school prospectus, please be rest assured that your child will not be photographed.

It is another opportunity to showcase our fantastic children and their amazing talents that they show every day.

We look forward to seeing everyone smartly dressed in their school uniform with their best smiles ready for their picture to be taken.

Thank you for your continued support.

Take care
