Monday 25th April 2022

Dear Parents/Carers

During SAT week we will be opening the doors at 8.10am for all the Year 6 children so that they have the opportunity to settle into the school day and to give them time to ask questions and talk with their teachers and peers before the assessments begin each day. This will help all of the children to relax and feel ready to complete the tests each day.

We would like to offer the Year 6 children breakfast during this time, we will offer a range of cereals and toast that the children have requested should they wish to have some. To celebrate the hard work of the children during the tests a hot breakfast of bacon, sausage or vegetarian sausage cob will be provided for all children on Friday 13th May 2022. On Friday the children should arrive at normal time and they will start their morning with their breakfast treat. We would like you to select your child's breakfast preference on the School Gateway app by Friday 29th April 2022. We will not be charging for the breakfasts during this week as we aim to support the children to showcase how amazing they are during their SAT tests.

Many thanks for your continued support.

Yours sincerely

Miss Jodie Milson
