Monday 18<sup>th</sup> October 2021

Dear Parents/Carers

During this term, Year 5 have been learning about Forces in Science. To support this work we will be going on an exciting trip to **Magna**, near Rotherham. Magna is a Science and Technology museum built inside the former Templeborough Steelworks. It has four main areas; Air, Water, Earth and Fire. The museum has lots of interactive exhibits and is designed specifically for children. The children will also be taking part in a Rockets and Balloons workshop where they will develop their understanding of forces by learning about the development of balloons and how rockets are propelled.

The trip will take place on **Wednesday 10th November 2021**. The children will need to come to school for the normal start of the day and we will aim to return to school by the close of the school day, depending on traffic.

The children will need to wear school uniform, have a waterproof coat, suitable footwear and bring a packed lunch (no glass bottles or fizzy drinks) in a small bag which can be carried easily. We are able to provide a packed lunch from the kitchen, cost of £2.20 or Free School Meals apply. Please order through the School Gateway.

The children will not need any spending money for this trip. The cost of the trip is **£10.00** per child. Please make **payment** and give your **permission** on the School Gateway by Wednesday 3<sup>rd</sup> November 2021.

Due to the nature of the Magna site, it would be beneficial if we could take a small number of adult helpers with us on the trip to assist with moving the children from area to area. If you are able to help please email [info@cloudsideacademy.co.uk](mailto:info@cloudsideacademy.co.uk).

Yours sincerely

**Mrs Shooter, Mrs Wood and Miss Tyers**  
**Year 5 Class Teachers**
