Birds of Prey experience.

Dear Parents/Carers,

We are excited to be bring the children's learning of predators to life with a birds of prey experience. An expert is bringing a range of birds in for an indoor display where your child will learn about their hunting skills, graceful flight and survival in the wild, followed by an opportunity to get close enough to these majestic creatures to enhance their sketching skills as part of our art project this term. The work produced by the year group will form part of an exhibition of art work produce by Years 3 and 4, displayed in school later in the term.

We are delighted to bring these visitors into school for a truly memorable day, taking place on Wednesday 11th May 2022. The children will be split into groups to enjoy these unique activities to maximise the experience for all.

The price will be £2.00 per child and can be paid through the School Gateway App. Please make payment by Friday 6th May 2022.

Yours sincerely

Mrs Wheatley, Mr Young, Mr Kavanagh and Mrs Meggison
Year 3 and Year 4
